Official Undergraduate Academic Record

Brent Robert Ruth has completed the Diploma Track of The Citadel Honors Program, taking at least 32 semester hours of Honors courses, designed to stimulate as well as challenge the best students at our institution. The Honors Program is a highly selective course of study for exceptionally capable and well-prepared students. Only 2% of the senior class complete the program annually. In every Honors course, students are required to meet individually with their professor for a substantive weekly conference which contributes toward the goals of the class, and are challenged to explore the subject matter of their courses in more depth than in non-honors classes.
